WHAT IS ECOPITCH?

The ECOPITCH is a commercial stage where exhibiting companies showcase their innovations, success stories, specialized training, and practical solutions directly to buyers seeking immediate technology integration.

ECOPITCH 2027 THEMATIC PILLARS

WATER MONITORING AND TREATMENT

Innovations in water recovery, desalination, pumping, regulatory compliance, reverse osmosis, etc.

CIRCULAR ECONOMY AND WASTE VALORIZATION

Smart soil management, industrial recycling, material valorization, etc.

BIOECONOMY AND NATURAL RESOURCES

Bioenergy, biomethane biofuels, technology-driven resource utilization, etc.

SUSTAINABLE CITIES AND INFRASTRUCTURE

Smart mobility, e-mobility, energy efficiency, clean urban technologies, etc.

YOUR INVESTMENT INCLUDES A COMPLETE POSITIONING PLAN:

- ❖ **Preferred 40-minute slot:** Prime time to deliver technical conferences, interactive workshops, or commercial launches before qualified buyers.
- ❖ **Physical and digital branding:** Integration of your logo on the official stage backdrop and continuous loop display on the main screen during breaks.
- ❖ **Pre-event digital impact and promotion:** Promotion of your conference with a hyperlinked logo on the official ECOMONDO MEXICO website to generate anticipation.
- ❖ **Lead generation:** Exclusive rights to distribute promotional and sales materials during your presentation time slot.

NOTES:

Stage Equipment and Facilities: Each contracted session already includes the basic infrastructure for your presentation: a space with capacity for up to 40 attendees and professional audiovisual services, including audio, microphones, and screen projection.

As a sponsor, you have full flexibility to enhance your session with additional equipment or catering services at an extra cost, coordinated through your account executive. Coffee break service is provided exclusively by Expo Guadalajara.
